

Ciena Healthcare is proud to announce one of our newest skilled nursing communities opening soon, Regency at Canton.

Built at a cost of more than \$6 million, Regency at Canton will be opening its doors soon to offer unsurpassed short-term rehabilitation and long-term care to area residents. The spacious, 120-bed community will feature 40 private rooms and 80 semi-private rooms, all with in-room showers and baths.

The 59,000 sq. ft. facility will include a state-of-the-art kitchen and many dining options, including private dining. Residents also will enjoy a library, recreational area, lounge and a spa. Regency at Canton will feature six dedicated bariatric rooms, along with offering physical and occupational therapy. Comfort is maintained with individualized temperature controlled rooms along with a flat screen TV for each resident bed. An Internet café will provide a convenient surfing experience for residents.
